Camps have started in Edwardstown and everyone is so excited. Room 16, 15 and room 4 were the first classes to go on camp to Arbury Park. In Arbury Park there are lots of activities such as yabby fishing, hall games, playground, navigating with maps and a compass, hiking. I remember in 2013 when I nearly fell into the yabby fishing pond. How disgusting! In week 6 rooms 14 and 13 will be going to Glenhaven Park. In Glenhaven Park there is a giant swing, obstacle coarse, ab sailing, rock climbing and archery. Arbury park rocked so I can’t wait for Gleanhaven!

**Danger! Danger!**

We would like to remind everybody to always walk together when walking to and from school or when you walk anywhere. Remember to never walk by yourself anywhere. Always try and get someone to walk with you. If you cannot at all get anybody to walk with you then tell somebody where you are going. At least tell 2 people where you are going. Also walk in public places where there are lots of people. If you are walking by yourself in the morning remember that the school has several walking school buses that take different routes. Talk to Judy at the front office to see which walking school bus takes the route closest to your street. So remember to always stay safe and alert.

Do you have very smelly shoes? Well here are some ways to get rid of that bad odor.

1. Try putting tea bags in those stinky shoes to get rid of the smell the tea bags will absorb the stink.
2. If you put baking soda in your shoes over night it will eventually clear the smell. Do you get lots of pimples and none of the face washers work well here are some top tips to get rid of them.

**The Student Leader Interviews**

This week I have interviewed four Student Leaders. I interviewed Sarah A., Elizabeth P. (Or we call her Lizzie) and Tabitha W. The questions I asked were “What will you do to help improve the school?” and “Why did you want to be student leader?”. Here is what they said… Sarah said she will listen to everyone and to help anyone who needs her help and it seemed like a lot of fun. Lizzie said she will make the school safer for everyone, also she looked up to the previous student leaders and wanted to be just like them. Tabitha said she will remind kids to not litter and keep the environment safe. Also she felt she would be good for the role.

PREMIERS READING CHALLENGE

Can you spare some time to help in the Canteen on Sports Day?

So try and get at least one PREMIERS READING CHALLENGE sheet to Liza. **By Chelsea**

What is it? PREMIERS READING CHALLENGE is where you have to read 12 books and 8 of the books you have to read are the ones with the green, orange and yellow stickers on them. Then you can read books that don’t have the green sticker. Last year if you read all the books you got to pick a book for the library and the class that handed in everyone’s sheet got to have a morning tea with Liza and the class that won was room 11.

**Cross Country** by Makyah

What is it? Cross country is when you run 3 km at Belair National Park. If you are born in 2005 and 2006 you have to be able to run 2 km but years 2004—2002 have to be able to run 3 km.

Days you train are on Tuesday and Thursday. Thursday you train after school and Tuesday you train in the morning. It’s hard because you have to run up and down hills and on gravel. The fun thing is you don’t have to run the whole way. You can walk but you can’t stop. The day of the race is in term 2 week 2. You spend the day at Belair and come back to school at 2:30 pm.

K Pop... Have you heard it?

**WHAT IS IT?**
You have all heard it because it is Gangnam style because that was the hit song a few years ago so you have had to have heard it before. My favorite K Pop band is BTS. They sing in Korean but at the chorus they sing a little bit of English with some English in the verses like Gangnam style.

My favorite song by BTS is “Run”. This is a picture of BTS.
