Today our entire school put their bodies on the line to do all they could to get their new playground equipment.

THANK YOU for your sponsorship and support. Money raised is going towards our new playground equipment to be established right here.
Our Frangipani tree

On the 8th of June the environmental group planted a Frangipani tree to celebrate environmental day. If you don’t know what a frangipani tree is it is a tall native tree, yellow with white scented flowers. They chose the tree to bring colours to the school and Native garden in the junior primary playground area. The people who helped plant the tree were Boko, Riley and Kavindu with the help of Mrs Boggiano. When the frangipani tree grows it will make the school smell very good and look very pretty.

Our school is participating in the “Bright Smiles, Bright Futures Oral Care Recycling Program’! We have the chance to receive $1000 if our school recycles the most oral care waste before November 2016. Additionally, we receive $0.02 per recycled item.

Please bring in the following:

- Any brand of toothpaste tubes, bottles and caps (please make sure all toothpaste has been used. Please rinse the tube out but don’t bring in in until it is dry)
- Toothbrush and toothpaste tube packaging
- All toothbrushes
- Floss containers
- Interdental brushes and wisps
- A blue recycling bin has been set up in the bike shed.
- Looking forward to seeing how much we can recycle!!!!!

PLASTIC FREE JULY

Have you signed up yet for Plastic Free July? The challenge is quite simple. Attempt to refuse single-use plastic during July. “Single-use” includes plastic shopping bags, plastic cups, straws, plastic packaging...basically anything that’s intended only to be used once and then discarded. If refusing ALL single-use plastic sounds too daunting this time, try the TOP 4 challenge (plastic bags, bottles, takeaway coffee cups & straws). – Sue Gaardboe

Give up Plastic for the month of July
Will you take the challenge?

Edwardstown Primary School
Run 4 A short story

The woman ran and came back with two men. One of the men was a tall, brown haired man with a bulky build, dark skin and hazel eyes. The other man was much shorter with blue eyes, lighter skin and blonde hair. The three of them walked up to the stranger and tried to calm him down. The woman was as scared as a toddler in the dark. One of the men started yelling, “Calm down. We are one of you, we are human just like you see.” He turned around and showed the chained man his back. There was a marking that looked like a knife on fire. All of the humans had this. Slowly the man stopped struggling and as if he had died closed his eyes. The blonde man said, “My name is Steve and this is Dave. What’s your name?”

The man answered, “My name is Jacob.” “Where am I, who are who?” Dave answered, “This is the resistance’s base and we, we are the runners.”

 KickStart for Kids

In the canteen at lunch time you will see there is free fruit. This fruit is provided by Kick Start for Kids. This means it is only given to the school when they can provide it. So there isn’t always going to be fruit in the canteen. We are very lucky to have this provided to the school. KickStart for kids help kids in need of a breakfast or a lunch for kids who don’t have them. The free fruit for all is a community thing. KickStart for Kids make six thousand lunches per week and provide thirty-five thousand breakfasts per week to schools in South Australia from the south to the north regions and over to the western suburbs.  Welcoming the Birds

Recently there was an article on Environment Group. In that article we told you that they were building bird houses. Now those bird houses are finished and they have been hung up around the butterfly garden. If you are in the butterfly garden at recess and lunch try to spot them. There was a lot of hard work and effort that went into them and we hope that the birds and you enjoy them. Please do not throw sticks or stones at them or try to damage them in any way because the bird houses are there for the birds to live in. A big thank you to the Environment Group for building those beautiful bird houses.

Under 8’s Soccer
This week we celebrated our first win! A brilliant effort from the whole team led to a 2-0 victory against Colonel Light Gardens. A huge congratulations to all! Abby skilfully captained her troops, whilst Will connected some great kicks which helped both Skilton and Josh score goals. Meanwhile, Cian and Kynan made some great saves in the opposition goals to ensure they were held scoreless. Bring on the next match!

Under 10 Soccer Gold vs Craigburn at Craigburn Primary School
It was an amazing game. One of the most fair contests in my opinion with all the children at a similar level of experience.
In the first half we did very well. In the second half our team began to lose touch with Craigburn though, eventually losing 4-0.
Hope we’ll have lots of wins in the near future!

Senior Soccer Saturday
The Seniors played Aberfoyle Park Primary School. EPS won 4-1 with goals scored by Jonah D, Dimitri H, Cole P and Tanner V. All the boys played well.

Senior Soccer Carnival
On a dark and stormy night the Senior boys played in the Southern Districts carnival. They played 5 games against Marion, Mercedes and Warradale. They won 3 games, drew 1 and lost 1. The boys showed exceptional sportsmanship and resilience as they battled the rain, wind and mud. Well done boys!!

Estelle
RIGHT: Jasmine (played by Caitlin) and Aladdin (Jaxson absent, so Caitlin Rule, our work experience student, stepped in) arrested by Abanazar (the meanie, played by Damian) and his guards (played by Xavier and Baeden, the other guards were absent so Marwa, usually a Villager, played the role).

BELOW: Warming up before rehearsal.
