The Strawberry Fair is only a week away! Get ready to have a great day with friends and family. Every year the rides and stalls can change but there also some classics that are around almost every year. This year we have a ride called the bungy tramp which is new to the Strawberry fair as well as the Sumo Suits, Fly Wall and more.

Wow!.....new fun rides this year.....
Bungy trampoline, specky run, bubble balls, sumo suits and Velcro fly stick wall....... $20 unlimited ride wristband available now from the bookroom........get yours now!

Knock them down. How many can you knock down ?

Trail bags . What will you pick?

What’s new at the craft stall this year??

For your help at our school working bee

Last Sunday was the working bee. Lots of families came to help tidy up the school. Some of the jobs were mulching, weeding and planting, washing tables and windows.

Thanks to the families who came along; Rodenburg, Freeman, McCarthy-Handsaker, Andrews, Standish, Laird, Burns, Shepherd-Boyd, Iley, Barnett, Gilson, Blanch, and Wise, along with Mrs Bashford and Mrs Papps. A special thanks to Jim for giving up his day off to assist. Also thanks to members of the church for their contribution in the garden, and also for the fantastic morning tea.

Camp Quality Puppets Visit EPS

Last Friday the Camp Quality puppets and their puppeteers visited EPS. Camp Quality is an organisation who specialise in raising awareness about kids who suffer from cancer. They put on a puppet show for us. The show was about a girl named Kylie who had leukaemia (which is a type of cancer) and how she shared her experience with her class through an assignment. There was also Dean and Melissa who are friends of Kylie.

The show included information about cancer and answered questions children might have about cancer. It was a really fun way to learn about cancer and I really enjoyed it.

You can head to www.campquality.org.au to find out more about their organisation and programs they offer and they also have an app which you can download to find out even more about them.

Wild weather  By Dimitri.H

Over the past couple of weeks we have had some pretty wacky weather. One day its really cold next its up to 30 degrees. Scientists actually predicted this years ago.

The reason why this is happening is because of climate change and slowly, slowly we are destroying our planet by using toxic gasses from cars, trucks and busses. This is a serious problem that we need to fix because in a few years we might not have this beautiful planet to call home anymore.

SCHOOL CLOSURE
MON. 7 NOV.
Ascot Park Primary School is hosting Taught & Bowled to present a
free 1 hour Netball and Soccer Development Session for all netball and soccer loving kids aged 8-12. This session is being held Wednesday 3:30-4:30pm, 2nd November, 2016.

For all kids interested in trialing for 2017 Specialist Netball and Soccer Program held before school hours at Ascot Park Primary School, please stay from 4:30-5:30pm for trials.

This session will be ran by a highly accredited coach, Alice Johnswood (Netball) and Nathan Fleetwood (Soccer). Nathan Fleetwood will be running the 2017 Specialist Soccer Program, and Alice Johnswood the 2017 Specialist Soccer Program, which involved 2 x 1hr structured training session per week for the ENTIRE year.

YOU DO NOT NEED TO BE ENROLLED AT ASCOT PARK PRIMARY SCHOOL TO BE APART OF THIS PROGRAM.

In 2016, we had 14 students from all over Adelaide in our Advanced Netball Program held between 7:30-8:30am every Tuesday and Thursday for a full year program.

DON'T MISS OUT!!! SPOTS ARE LIMITED.
If you which for more information please email Hannah; hannah.long840@schools.sa.edu.au

Run 10

I bend over to pick the photo, but my head spun like a top. I nearly collapsed but Dave supports me. He notices what I’m looking at and picks it up. “I never thought I’d see this again…” Dave says with a far away look in his eyes. I passed out at this moment, when I woke up I was in the dark. “Shhhh…” whispered Steve, and pressed his finger against my lips. I hear a soft whistling sound in the distance. I thought it sounded a bit like the wind howling through the trees, if there were any trees left that is… Dave interrupted my daydream by suddenly going rigid next to me. I looked at him and his eyes were frozen with fear. I followed his line of sight and saw what he was so horrified about. It was something moving in the rubble! It seemed to be moving closer to us. We were still frozen with fear. And only when The Machine came clear of the rubble, about two-hundred-meters from us, that we were snapped out of our shock, turned and ran as fast as we could possibly go. But slowly The Machine closed the gap. It reached one of it’s appendages towards Steve. To Be Continued….

MILO T20 Blast Program

MILO T20 Blast is a fun, safe, action packed cricket program for boys and girls in Year 2-5. The program involves modified games of cricket, where each child gets an equal turn at batting, bowling and fielding. There are many centres starting soon around South Australia. The first session is always a FREE Come & Try.

Your nearest Centre/s will be run at:

Marion Sports & Community Club – 262 Sturt Rd, Marion

FREE Come & Try Monday 31 October 2016, 6:00PM – 7:30PM

9 – week program, Monday nights in Term 4 & Term 1

By registering for MILO T20 Blast everyone will get a full season of fun, excitement, new skills and also a MILO T20 Blast Participant Pack including playing shirt, Adelaide Strikers cap, bag and more!

To find out more details about your nearest Centre and to register for this season log on to www.playcricket.com.au and type your post code into the centre finder.

THE 2016 END OF YEAR CELEBRATION

TUESDAY, 6TH DECEMBER @ 7pm.

Well, the END OF YEAR CELEBRATION is nearly here.. AND WE’RE EXCITED!!

Every child who has experienced this event in the past, is REALLY looking forward to
TUESDAY, 6TH DECEMBER.

There may be some of you who would like a little more information about it...

Each year, in term 4, the students prepare a performance during their Performing Arts lessons. The aim is to showcase their developing skills and natural talent. All items are put together in a collaborative way, where the students and I work together to create the final product. Some of the items are in the form of a song and dance, while others tell a story to music. The choir finishes the program off with an uplifting song.

This is an outdoor event, held on the asphalt nearest the main building. While students sit right in front of the stage, supervised by their class teacher, the adult audience sits on BYO chairs in the allocated seating areas.

THE CONCERT WILL BEGIN AT 7PM. **Students will need to meet their class teacher in their classrooms by 6.40pm** (unless otherwise indicated by the class teacher). We expect to be completed by 8.45pm.

**Students remain with their class and teacher for the entire concert.**

At its conclusion, **Rooms 18, 19 and 20** students will return to their classroom for safe dismissal. **Rooms 8, 9, 10 and 11** students will be dismissed under the COLA (covered outdoor learning area in front of the Hall). Students in **years 3 to 7** can be collected from the asphalt audience area. To maintain a safe environment, parents are asked to move slowly to the above meeting points to take their excited and / or tired children home.

**Your child will be in need of a specific COSTUME for their class item.** Your child has now brought a note home outlining all things particular to their part in the concert. Please begin NOW to find these items so that all of us are relaxed in the final lead up to TUESDAY, 6TH DECEMBER.

Any questions relating to the COSTUME can be directed to your child’s class teacher. Questions related to the End of Year Celebration can be asked of the office staff, or Joy Groves before or after school hours.

**Thank you for your support. I know you will enjoy the night !**

Kathy Papps and Joy Groves
SA Water VACSWIM, SA’s most iconic aquatic safety program has opened for registrations with organisers encouraging all families to sign up early. 13,000 primary school aged children will take part at over 130 pool and beach locations from the 3rd - 11th January 2017, in line with the Christmas and New Year holidays.

VACSWIM is described as the best value for money holiday program with individual enrolment starting at $30 per participant. To register families can log onto: “www.vacswimsa.com.au.”
