## **ONLY 16 MORE SLEEPS ...**

*In 2018 we will be bio-friendly! We are doing our utmost to provide compostable crockery, plates, and cutlery for our visitors to use and also to look after our environment. We will also have enough of the relevant waste bins to dispose of the rubbish properly. Please help us by disposing of items in the correct bins, which will be marked clearly. What a great idea... GO EPS!!*
